Planning Application

Planning application of two storey extension and porch to side, alterations to out-building to form additional accommodation and erection of detached double garage to side following removal of existing at 1 New Row, Duckmutton Lane, Little Kelk was discussed. It was decided to recommend that the application be refused because of the alterations to out-building to form additional accommodation. The same property at the other end of the row had their application for alteration to out-building refused and it was decided that this application had exactly the same proposal and therefore should also be refused. Also it was stated that this application would start a second row of houses behind the original ones and would therefore set an undesirable precedent if it was passed.

The annual Audit has been checked and returned and an invoice for £60.00 from the Audit Commission was received. A cheque was written and signed. Lissett Wind Farm Grant form was sent off and money expected to be in bank account shortly. Councillor asked for ideas on what this year's grant to be spent on, possibility - Diamond Jubilee.
