Matters Arising

None

Chestnut Horse

Reece Holland introduced himself as the new owner of the Chestnut Horse and told us a bit about his background in the licencing trade. He informed us of his plans for the Chestnut Horse and he is going to keep it as a public house and he doesn't intend to change the overall layout of the building. He has already ordered the new bar and everything will be like for like, he has build a patio at the back and a play area. The Defibrillator can stay on the wall, but they have no electricity at the moment.

Bus Shelter/Lissett Wind Farm

The bus shelter has stopped being built at the moment as email arrived from ERYC to say that planning may be needed. This will be the third bus shelter and it is in exactly the same place as the others
