Planning Application

Application under S73 of the Town and Country Planning Act 1990 to remove condition 2 of Planning Application reference DC/16/04098/PLF/EASTNN at Kelk Lake House, Moor Lane, Little Kelk - after a long discussion it was stated that it would have been nice to know what were the plans for the land in the future as two application have been put in but no clear detail about why, condition 2s removal must be for a reason, but no details as to what that is. It was put to a vote and it was 2 for and 2 against the planning application, so no decision made because councillors felt not enough detail was provided.

Lisset Wind Farm

Discussion on what to spend this year money on, it was decided to repair each planter at entrances to village. Also discussion on the loss of Georgina Middlewood and what would happen to the Chapel and all the groups that she ran. With dwindling congregation at the Chapel, how long would it before it closes, what would happen to the buildings, would it be feasible to try to purchase the school room for the village, would anybody be willing to take on looking after it, would it be used enough to warrant the purchase, should a questionnaire be send to all resident to gauge residents opinions and also if there is anyone who is willing to take on the task?
